Who may benefit from Via Christi HOPE’s services?

- Older adults living independently and needing assistance in completing their daily tasks and getting the medical care they require
- Caregivers assisting an older adult to remain in the community

“This program has been a godsend for all of us. To have everything under one roof, in one convenient location and having a team to work with ... I couldn’t have asked for anything better.”

—Daughter of HOPE participant
Via Christi Healthcare Outreach Program for Elders (HOPE) is the Program of All-Inclusive Care for the Elderly (PACE) provider for Sedgwick County. The program is designed to promote the provision of quality comprehensive health services to older adults.

Via Christi HOPE assists you and your loved ones to remain safe and independent in the community for as long as possible. This is accomplished through comprehensive, high-quality health and social services tailored to meet the unique needs of each individual.

Our primary care physicians and interdisciplinary team of professionals provide and coordinate all services for you, providing “one-stop shopping” for your needs. Most services are provided in your home and at Via Christi HOPE.

Helping you remain safely at home
