Mission Corner

Peyton Theis is a 16-year-old from Medicine Lodge who loves having his head scratched and exploring places like the grocery store. Because he relies on his wheelchair completely, it wasn't always easy for him to get out of the house. That's when Children's Miracle Network Hospitals at Via Christi stepped in: We helped purchase an accessible van so he could go on car rides, doctor appointments and important trips like his brother's wedding.

You can hear more of Peyton's story by tuning in to the Children's Miracle Network Hospitals radiothon on B98 or 102.1 The Bull on Friday, March 3.

To give to CMN Hospitals at Via Christi to help kids like Peyton, click [here](#).

Kansas Drug Card

Children's Miracle Network Hospitals at Via Christi Health is excited to announce a new partnership with United Networks of America and Kansas Drug Card! This will enable us to help more children in our community and we hope you will choose to support the cause.

Each time a prescription is processed using the Kansas Drug Card, CMNH will receive a donation. The card is a statewide prescription assistance program and all Kansas residents are eligible to have their prescriptions processed through this savings card.

You can get your FREE card by simply visiting the [website](#) and print, text or email the coupon.

This program will help provide lifesaving care to children in our community, in addition to helping you save money on prescription drugs.

Save the Date

- February 1-28 - Casey's General Store Balloon Campaign
- March 3 - Radiothon with 102.1 The Bull and B98
- March 7 - IHOP's National Pancake Day!

Casey's General Store Fundraising Campaign

In its fourth year of partnership, Casey's General Store is once again helping sick and injured Kansas kids. From Salina to Goodland and everywhere in between, Casey's stores will be collecting donations \$1 at a time to be donated to Children's Miracle Network Hospitals at Via Christi Health. The campaign runs Feb. 1-28. You can find a location nearest you by clicking [here](#).

Since 2014, Kansas Casey's locations have raised more than \$86,000 to provide necessary medical equipment and other needs for pediatric patients served by Via Christi's hospitals and clinics.

Caring for Kansas children for more than 30 years

In 2015 alone, Via Christi Health had nearly 150,000 pediatric visits from patients across Kansas at our hospitals and clinics. Each of these children were impacted by our Children's Miracle Network Hospitals program. CMN Hospitals at Via Christi Health provides equipment, education, and other services to pediatric patients seen in our facilities, in addition to direct medical assistance to cover needs not covered by insurance. This assistance is available to all children served by Via Christi regardless of their illness, injury or financial status. Examples of service include assisting with medical equipment, travel assistance, lodging, therapies, and more.

As of Jan. 1, 2016, only patients receiving care at Via Christi hospitals and outpatient clinics will be eligible for individual assistance using Children's Miracle Network Hospitals funds. You may direct any questions to Kara Warkentine by phone (316) 239-3528 or email by clicking [here](#).
