

Mission Corner

Maxwell Ulrich is a 3-year-old from Wichita who loves playing and laughing with his brother, Micah, communicating with animals (especially dogs!) and bringing smiles and joy to the hearts of everyone he meets. Because of his cerebral palsy and other diagnoses, he doesn't often get opportunities to do things like other kids. For some, riding a bike is simply a fun activity, but for Max it provides therapy for his gross motor skills and keeps him active. Children's Miracle Network Hospitals at Via Christi Health helped get this specialized adaptive tricycle so he can safely cruise the streets with mom, dad and big brother Micah.

Radiothon with iHeart Radio

Tune in — and make a pledge — to the Children's Miracle Network Hospitals Radiothon, 6 a.m.-6 p.m. Friday, March 3, on 102.1 The Bull and B-98 FM. The radiothon benefits Children's Miracle Network Hospitals at Via Christi Health.

Local families and children who have been helped by CMN Hospitals will share their stories with on-air talent throughout the broadcast.

Pledges may be made by calling 877-335-5437 (KIDS).

The stations involved in the radiothon are committed to the mission of helping sick and injured children through this Children's Miracle Network Hospitals effort. One hundred percent of the dollars raised will stay in Kansas to help children in need.

Since the first radiothon held in 2001 in both Garden City and Wichita, more than \$1 million has been raised to meet the medical needs of Kansas children.

IHOP's National Pancake Day!

Enjoy a free short stack of three buttermilk pancakes from any central or western Kansas IHOP restaurant 7 a.m. to 7 p.m. Tuesday, March 7, and support sick and injured Kansas kids by donating the meal cost to Children's Miracle Network Hospitals at Via Christi Health.

You can find a location near you by clicking [here](#).

Last year Pancake Day raised more than \$14,000 for young patients across the 64 counties of central and western Kansas served by CMN Hospitals at Via Christi Health. Since 2006, the event has raised more than \$15 million for Children's Miracle Network Hospitals nationwide.

Caring for Kansas children for more than 30 years

In 2015 alone, Via Christi Health had nearly 150,000 pediatric visits from patients across Kansas at our hospitals and clinics. Each of these children were impacted by our Children's Miracle Network Hospitals program. CMN Hospitals at Via Christi Health provides equipment, education, and other services to pediatric patients seen in our facilities, in addition to direct medical assistance to cover needs not covered by insurance. This assistance is available to all children served by Via Christi regardless of their illness, injury or financial status. Examples of service include assisting with medical equipment, travel assistance, lodging, therapies and more.

Patients receiving care at Via Christi hospitals and outpatient clinics are eligible for individual assistance using Children's Miracle Network Hospitals funds. You may direct any questions to Kara Warkentine by phone (316) 239-3528 or email by clicking [here](#).
