

# ICD-10 Training Modules – Detailed Instructions for Healthstream Internet Users

---

## Access to Courses

The ICD-10 training modules are available through the Internet by following the steps below:

1. Open your Internet browser and go to “www.healthstream.com/hlc/vchs.”
2. Enter your user ID (physician number) and password on the next screen:
  - a. User ID = your 6 digit physician number
  - b. Password = icd10train (case sensitive)

Note: If your ID number only has 5 digits, please type a 0 (zero) in the first position. If you wish to change your password, after logging in, click on the Profile tab and select “Manage Account Information.” It is recommended that Google toolbar and pop-up blockers be disabled when accessing this site.

---

## Course Selections

As described in the cover letter you will have from 2 to 6 courses assigned. Two courses have been assigned to all providers:

- “The Language of ICD-10: Specificity and Granularity”
- “Documenting in ICD-10-CM”

Most users will also have at least one course assigned “Optimal Documentation for \*\*,” where \*\* represents your specialty.

---

## Continuing Medical Education

As mentioned in the cover letter, the courses assigned have been approved for *AMA PRA Category 1 Credits*<sup>™</sup>. One quarter of an hour is worth .25 credits. You are not required to submit any documentation to earn the credits; just ensure you complete the course and accompanying quiz.

---

## Contact Information

- For technical issues, please call the Via Christi IT Service Desk at 316-350-3838.
- For questions about course assignments, content or passwords, please contact Sherry Scott at 316-858-4976 or send an email to [sherry.scott@viachristi.org](mailto:sherry.scott@viachristi.org).
