Overview
Heart disease is the number one killer in the United States. It is important that practitioners be able to recognize the most common challenges facing the cardiac patient and offer the most appropriate and up-to-date care available in this ever-changing discipline. The importance of teamwork between the patient, cardiologist and family physician is essential when caring for the patient with heart disease.

Program objectives
At the conclusion of this symposium the participant should be able to:
1. Identify trends in cardiovascular care across the continuum.
2. Describe cardio-protective lifestyle choices.

Target audience
This course is intended for cardiologists, surgeons, internists, family practitioners, residents, physician assistants, APRNs, nurses, EMTs and paramedics, respiratory therapists, students and all others interested in the patient with heart disease.

Continuing education
Physicians: Via Christi Hospitals in Wichita are accredited by the Kansas Medical Society to provide continuing medical education for physicians. Via Christi Hospitals in Wichita designate this live educational activity for a maximum of 6.75 hours of AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Nursing: Via Christi Hospitals in Wichita are approved as a provider of continuing nursing education by the Kansas State Board of Nursing. This course offering is approved for 8.0 contact hours applicable for RN, LPN and LMHT re-licensure. Kansas State Board of Nursing approved Provider Number: LT: 0062-0738.

EMT and paramedics: Kansas Board of EMS Continuing Medical Education credit is provided through Hutchinson Community College EMS Education. Approval for this program is pending.

Respiratory care practitioners: Via Christi RT Educator approves this program for 8.0 hours of respiratory continuing education on behalf of the Kansas Respiratory Care Society, a chapter society of the AARC, Providership # KRCS 028.

Allied health professionals: Verification of attendance will be issued for hours attended.
