Grand rounds global objectives

Internal medicine morbidity and mortality
- Relate the latest concepts and practice guidelines to current cases in Internal Medicine.
- Utilize information obtained from the review of problem cases to expand the treatment options available to patients treated by internists.

McEwen visiting professor (surgery)
- Utilize knowledge of up-to-date protocols and procedures to directly improve patient outcomes.
- Apply new clinical and scientific information to improve the overall care of the surgery patient.

Neuroscience morning conference
- Relate the latest concepts and practice guidelines to current cases in neurology, neurosurgery and/or neuroradiology.
- Diagnose and manage neurologic disorders.

Orthopedic grand rounds
- Determine pre-operative evaluation, diagnosis and therapeutic measures for the orthopedic indications presented.
- Determine postoperative care and follow-up guidelines for the orthopedic patient.

Quality improvement conference (M&M for anesthesia)
- Acquire and apply knowledge of established and evolving basic and applied clinical sciences that relate to the practice of anesthesia.
- Review recent case presentations and relate clinical guidelines and concepts that could be used to improve patient outcomes.

Surgery grand rounds
- Utilize knowledge of up-to-date protocols and procedures to directly improve patient outcomes.
- Apply new clinical and scientific information to improve the overall care of the surgery patient.

Surgery morbidity and mortality
- Discuss critical surgical complications and death of cases presented.
- Correlate the clinical, radiological and pathological problems presented.

Tumor board
- Discuss current oncology cases with fellow physicians to improve outcomes and improving overall care of the cancer patient.
- Utilize knowledge gained from case presentations in diagnosing cancer patients in earlier stages of the disease.

Physician credit: The KU Medical Center Office of Continuing Medical Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
- The KU Medical Center Office of Continuing Medical Education designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physician credit: The University of Kansas School of Medicine-Wichita is approved by the American Psychological Association to sponsor continuing education for psychologists. The University of Kansas School of Medicine-Wichita maintains responsibility for this program and its content.

Physician credit: Via Christi Hospitals in Wichita are accredited by the Kansas Medical Society to provide continuing medical education for physicians.
- Via Christi Hospitals in Wichita designate this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
